WISENET

Hanwha Techwin America invites you to attend one of our five upcoming A&E forums. These forums are created to give you an opportunity to experience our complete solution utilizing Samsung industry core products alongside our technology partners. We will be presenting our latest leading technologies including the new 4K camera line, 5MP cameras, WiseNet Q Series, PTZs, virtual matrix and more.

We will also be including our educational seminars on H.265 Compression and Cyber Security. This invitation includes the cost of your air and accommodations for the two day events in Orlando or Los Angeles, and hotel stay (if required) on our one day events in Chicago, Dallas, and Toronto.
