

Security Vendor Dinner Event

Mid Pacific Country Club • 266 Kaelepuu Drive • Kailua, HI 96734

RSVP: jon.sandstrom@adiglobal.com or michael.ruiz@adiglobal.com

Join ADI and Thomasson Marketing Group for an exciting evening of training, presentations and demonstrations. Don't miss your opportunity to check out the latest products from today's cutting-edge manufacturers.

Wednesday, May 11, 2016 • 4:30pm to 8:30pm - *Topics Include:*

Building Reliable Networks

Gain an understanding of wireless outdoor deployments, PoE switches, Industrial applications, and other networking components – all elements of a successful installation. You'll come away with insight into the product selection process for wireless, PoE, and other hybrid network solutions.

Migrating from Analog to Digital IP video technologies

With an intuitive interface, CompleteView VMS and the PowerProtect NVR platform maximize the efficiency of your video surveillance installation. The CompleteView VMS platform is designed with management tools for complex deployments, and standard features to reduce bandwidth consumption and manage network resources.

Advanced Network Security Solutions

An introduction of virtualization into the client/server environment for security systems. Practicing proper Cybersecurity hygiene. Leveraging the network topology to protect your investment and mitigate inherent risk.

Security Cameras & Video Surveillance Solutions

Samsung's WiseNet series chipsets offer cutting edge performance and feature sets, with a globally recognized brand name, at a competitive pricepoint.

LED Illuminators for your Security and Safety

Discover Raytec's complete range of Infra-Red and White-Light LED illuminators for HD and MP, analog and IP security video and safety critical applications.

IP Video Surveillance Solutions

Veracity offers a unique portfolio of smart solutions for all areas of IP installation, from video and security to wireless and VoIP, along with digital video recording and transport applications.
