

Security Today 2019 New Product of the Year Award Winners Announced

ES8300 Optical Turnstile with Barrier

DALLAS, August 15, 2019 - *Security Today* magazine, the leading industry media brand providing technology, education and solutions for security professionals, and securitytoday.com, the preeminent editorial website for the security industry, announced the winners of the [Security Today 2019 New Product of the Year Award](#) today.

The *Security Today* New Product of the Year Award honors the outstanding product development achievements of security equipment manufacturers whose products are considered to be particularly noteworthy in their ability to improve security. Nearly 100 entries were received in the 11th successful year of the independently juried contest. DSI's ES8300 Optical Turnstile with Barrier won in the **"Pedestrian Security Entrances"** category.

DSI manufactures a broad range of security and access control products including Optical Turnstiles, Mechanical Turnstiles, Door Alarms, Push Button Controls, and Annunciators for the corporate, government, industrial and institutional marketplaces. DSI also works with engineers, security consultants and system integrators to develop custom designed security products that meet specific project requirements.
